

RE: CRIMINAL TRESPASS WARNING

DAEP (Disciplinary Alternative Education Placement) students are NOT permitted to return to any other Cleburne ISD campus/property for the time of their assignment to DAEP. This includes their home campus as well as all other elementary, middle school, and high school campuses, and any other school facilities.

Students may arrive no earlier than 30 minutes prior to beginning of class time. Student is to remain in the vehicle until released by campus staff. Student must then report immediately to the assigned waiting area. Students are not permitted to leave the assigned waiting area for any reason unless accompanied by DAEP staff. Upon dismissal, students must immediately leave the campus or must wait in the assigned area. By signing this, you are acknowledging the C-ISD rules and regulations while assigned to DAEP and understand that criminal trespassing charges will be filed if students do not follow these regulations.
