#	RESPONSES	DATE
1	I would particularly be a supporter of a security team that are "guardian".	7/20/2022 12:03 PM
2	I am wary of who will be allowed to carry. Also If I was the one carrying and had to shoot, what happens if I hit/shoot someone other than the intruder?	7/20/2022 11:49 AM
3	I feel there are other measures and initiatives we can implement before we go to the Guradian plan.	7/20/2022 11:49 AM
4	I feel a trained person who has experience with this may be possibly suitable. Also, would Admin know	7/20/2022 11:48 AM
5	In order to be more confident in my response, I would need further information on the "vetting" process and more details on how the weapon would be concealed and who would be informed of the personnel selected. With teacher burnout, I feel this is risky but maybe necessary.	7/20/2022 11:48 AM
6	Right now decisions are being made on emotions. I would much rather have a trained officer armed instead of a staff member. I think we would be opening up a can of worms and eventually unforeseen trouble.	7/20/2022 11:48 AM
7	I would want to know who would be the person that was carrying the weapon.	7/20/2022 11:47 AM
8	I don't think teachers should be armed & am uncomfortable with additional guns around children.	7/20/2022 11:47 AM
9	The amount of training necessary to proficiently caring a firearm would not be easily obtainable for most teachers	7/20/2022 11:47 AM
10	A great deterrent and helpful to the district and law enforcement.	7/20/2022 11:47 AM
11	Must be fully trained and have strong background to carry!	7/20/2022 11:47 AM
12	I don't want teachers to have to make the choice to shoot someone. Also teachers have too much stress to deal with decision.	7/20/2022 11:47 AM
13	There are other options than arming teachers. I would prefer additional SROs or the School Marshall program to the Guardian program. Any surveys should include all security options and not just one.	7/20/2022 11:47 AM
14	Law enforcement needs to know which teachers are guardians.	7/20/2022 11:46 AM
15	I would like to know the vetting process for who on the campus is allowed to carry.	7/20/2022 11:46 AM
16	Staff and a parent	7/20/2022 11:46 AM
17	No guns in schools. Leave it up the the police.	7/20/2022 11:45 AM
