

Cleburne High School

College Visitation Form

Junior and senior students will be allowed two days a year, one day each semester, for college visitation. Students are responsible for having their parent/guardian complete the top portion of this form stating where and when they will be going. The student must then obtain all signatures required on this form. Please take this form with you to the college you are visiting. You must return this form with proof of visit to the attendance office for the absence to be excused.

The college visit should be viewed as an educational opportunity. Visitations will not be approved on days when major grades occur (six weeks tests, final exams, etc.). Please schedule visit accordingly. This day will be an excused absence, and will not count against exam exemptions. **Any questions regarding the use of college days are left to the discretion of the principal.** We hope that this college visitation proves to be helpful to graduating seniors and their families.
