Subj: CADET CONTRACT

1. Cleburne NNDCC strives to ensure that Cadets maintain the highest standards of conduct. Cadets are known throughout the school and community for their high moral character. Cadets who do not uphold these high standards are sometimes asked to leave.
2. We do not expect perfection, but Cadets should constantly strive to improve. In order to help in this endeavor, infractions are tracked for the benefit of the Cadets and their parents. A list of violations is used to assign demerits and logged in an Excel spreadsheet. If a Cadet accrues more than 100 demerits in a semester or 150 in any given year, they will not be invited back. The Cadets will be given the opportunity to participate in Incentive Training. Incentive Training is a tool that will instill discipline and motivation. Once the Cadet completes the Incentive Training the demerits will not be added to their record. Incentive Training will not be made available to Cadets when it comes to Drugs/Alcohol, Bullying, and Sexual Harassment
3. Most Cadets will sail through four years of NNDCC and not receive a single demerit. Others will require an occasional reminder that our standards do not waver. Please sign the acknowledgement below, agreeing to abide by the NNDCC/JROTC Code of Conduct.
