

## **Smith Middle School Choir Agreement**

My signature below indicates that I have read and understood the choir syllabus for SMS Choir.

I also know and understand the dates listed on the CISD Smith Middle School Choir Website for the 2022-2023 school year. If there is a conflict with these dates, I must notify the choir director according to the syllabus. I also understand that the dates listed are subject to change. If my student is excused from a performance, I understand that an alternative assignment is mandatory. If my student is not excused from a performance, I understand that no alternative assignment will be given and my student will receive a failing grade for the performance only.

If my student is in 7th or 8th grade, I understand that I will purchase the appropriate performance attire for my student. This includes a black choir polo and UIL contest attire. I understand that this uniform is part of my student's grade. If my student elects to fundraise for these items. I must inform the choir director before the purchase deadline.

I understand that my student will be viewing appropriate music education videos in my class. I give permission for my student to view these videos as long as they are of the rating of PG or G. Any rating that is higher, I understand that I will be notified by the choir director of any videos with this rating along with the rationale for using them in class.

As part of the class, my student is expected to participate in contests or performances that may be after school hours and off campus. I understand that it is my responsibility to provide transportation to and from SMS at the appropriate times in order for my student's participation to be effective. I

give my permission for my student to participate and travel on school transportation from SMS to the appropriate venue and return. I will contact the choir director with any transportation arrangements I make in a timely fashion (i.e. students riding with adults other than legal guardians).

I understand that after-school rehearsals will be mandatory for my student. These rehearsals are listed on the CISD Smith Middle School Choir Website for the 2022-2023 school year. I understand that these rehearsals are for a grade and my student's participation is essential to the success of the ensemble.
